

Are You a Mainlyner?

Who is a Mainlyner?

Anyone who participates in Mainly Marathons races.

What is Your Mainlyner Number?

(Count up your Mainly Marathons or Halves)

When your Mainlyner Number has reached 25, 50 or 100 you have earned a Mainlyner reward.

We are based in Southern New Mexico which is strongly impacted by the Hispanic culture and our very first series was our Day of the Dead Series. In Mexico the Day of the Dead is a celebration of life which includes family members who have passed. Out of this has grown an entire art form both joyous and a tad morbid, but never meant to be scary or creepy. We enjoy the art and sharing it and our local culture with our running family.

Following are the three levels and the awards that may be earned:

Level 1 – Mainlyner 25

This Runner Tile (6"x6") will come in a wood frame

Level 2 – Mainlyner 50

Talavera skull 6"x8"

Level 3 - Mainlyner 100

This charming lady is Catrina and 22 inches tall!

All of these items are hand crafted and variations from the photos may exist. Mainlyners must self-identify (you need to tell us when you reach the awards levels) and our rewards program is retro-active so the counting starts from our first races back in the fall of 2012. To receive your award, please send us, well in advance, a list of the series (with the year) and the days that you ran to Clint@MainlyMarathons.com
